

## SHARC Abstract, Presentation, and Publication Form

### Prior to Conference/Journal Submission

Prior to submitting your abstract/presentation/manuscript to a conference or journal, please use this form to submit the abstract/manuscript document to the Concept Administrator and/or Concept Executive Committee for review and approval.

Please be sure to include the following:

- a.) Concept ID and Co-authors as identified in the Concept Writing Group
- b.) Conference/Journal Name and Submission Due Date
- c.) Approval by Principal Investigator of dataset (email confirmation)
- d.) Documentation to confirm DOH approval (if DOH data used)
- e.) Grant Number Acknowledgement

Abstracts/manuscripts will be reviewed by the SHARC Concept Administrator who will confirm with the SHARC Core Faculty Member and/or Concepts Executive Committee that the work is ready and approved for submission. The Concept Administrator will respond within 5 business days of receiving your request to submit an abstract, presentation, or manuscript. If you do not receive feedback within that timeframe, you may email the Concept Administrator at: [SHARCConcepts@p.php.ufl.edu](mailto:SHARCConcepts@p.php.ufl.edu)

### Final Conference/Journal Submission

Upon acceptance of the final draft of your abstract by a conference or your manuscript by a journal, please use this form to submit the final abstract/manuscript document to the Concept Administrator as a Concept Progress Report.
